

SAA extends all-star streak to eleven.

In baseball terms, Select Artists Associates (SAA) run of 11-consecutive All-Star Games as technical producer for on-field concert entertainment, in comparison joins such notable MLB greats with 11-appearances in the Mid-Summer Classic as Ernie Banks, Gary Carter, Carlton Fisk & Harmon Killebrew.

On July 15, 2013 SAA continued its All-Star ways with the production of global sensation, **PITBULL** in New York on Citi Field's natural grass turf and the smallest field entrance (8'x12') ever encountered during an SAA All-Star production.

PITBULL energized the 45,000+ fans in attendance and the international live television ESPN & MLB Network audiences of the Home Run Derby with two of his hit singles, "Don't Stop The Party" and "Feel This Moment".

Baseball & Concert Doubleheader

Select Artists Associates turn-key, sports concert production services has officially caught-on with MLB teams, as SAA will produce a minimum twenty-five (25) shows during the 2013 MLB campaign.

Whether to drive ticket sales, celebrate a special anniversary in team history, enhance a 70's/80's/90's Promotion or develop new sponsor inventory... the baseball/concert doubleheader is increasing in popularity by delivering new (artists) fans, while providing the existing fan base with a unique experiential ballpark experience.

In 2013, SAA is booking & producing a variety of musical genres that meet the goals & objectives, as well as budget of each team & market, including; *Big & Rich*, *Blues Traveler*, *Billy Currington*, *Foreigner*, *Gavin DeGraw*, *Kool & The Gang*, *Montgomery Gentry*, *Nas*, *Neon Trees*, *O.A.R.*, *Sammy Hagar*, *Switchfoot*, *Third Eye Blind* and *Thompson Square* to name a few.
