WINTER 2021 - ISSUE 54

NEW YEAR

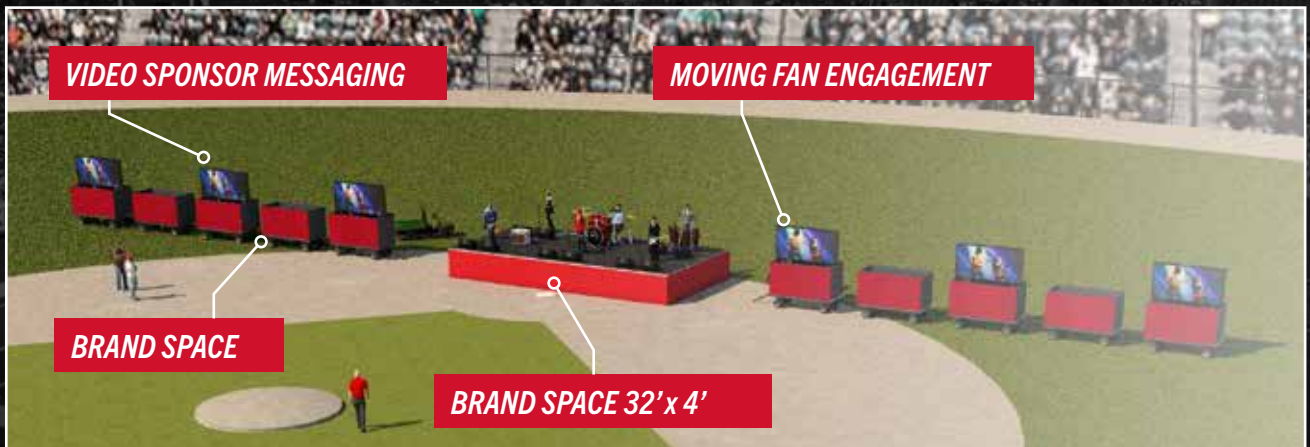

NEW PLANS

A NEW PLAYER TAKES THE FIELD

Like many of you, we saw a lot of downtime in 2020.

We arranged and rearranged our files. We cleaned and painted equipment. When we started greasing our squeaky office chairs, we realized we were ready for something new.

It was time to revisit, re-envision, and re-engineer our field-friendly roll-on staging system. Based on our clients' input and feedback, we've added new and dynamic digital assets to our current sign package to enhance sponsorship fulfillment and fan engagement.

WE ARE SELECT ARTISTS ASSOCIATES

Select Artists Associates is a multi-faceted sports and entertainment production company headquartered in Scottsdale, Arizona. We specialize in providing turnkey entertainment productions and special events. Established in 1967, SAA has grown in size, volume and expertise to become a leading national entertainment production company. SAA has developed a diversified clientele, including a number of Fortune 500 companies, state and municipal governments, trade and professional organizations, as well as professional and collegiate sports franchises.

From corporate events to Major League Baseball shows, from motor sports productions to collegiate and professional football promotional dates, and from international soccer matches to major stadium concerts, we've served a wide range of clients.

Along the way, we've established dependable working relationships with entertainers, management firms, booking agencies, promoters, convention and trade show producers and consumer show presenters. We effectively use our resource base to assemble management and production staffing to accommodate specific production requirements.

All of our productions are designed to reach each client's objective, enhance the experience and provide a first-class, unique and effective event.

Field-friendly equipment preserves turf and other venue surfaces

SAA's specialized roll-on stage and sound reinforcement system is designed to provide first-class instant staging for your pre-game, halftime or post-game show. The field-friendly system is intended for natural grass surfaces with its carefully engineered weight load distribution system.

SAA has experience with many types of fields and venues

SAA's sports entertainment productions excel in the swift entry and set-up of the staging and audio system that will have fans dancing in their seats in just minutes! Whether it be a pre-game or halftime show, when time is of the essence, SAA can have the field cleared within minutes, as well.
